I can attempt to name up to 10 animals in French with their correct article/determiner but may need to look at the vocabulary sheet first if/when attempting all the spellings. I understand better that articles/determiners work differently in French than they do in English and that I will have to always learn the article/determiner alongside the noun. Use these verbs in the infinitive to form positive and negative sentence structures with 'je peux' (I am able) and 'je ne peux pas' (I am not able). Attempt to combine positive and negative sentence structures to form longer and more complex sentences using the conjunctions 'et' (and / 'mais' (but).	I can attempt to name up to 10 action verbs in French but may need to look at the vocabulary sheet first when attempting all the spellings. I can match most of these verbs to their picture easily from memory and attempt more if I have time to remind myself of the language first. I can say/write at least one short phrase using the verb 'je peux' (I am able) and 'je ne peux pas' (I am not able) plus an action verb in French.
