## **Internet Use**

We make daily use of the internet in school and children regularly use websites and apps to support their learning. The school's acceptable use agreement states that children will use the internet safely, with adult permission and that they will do everything they can to protect their own passwords and personal information.

I give permission for my child to use the internet in line with the school's acceptable use agreement.

## Walking home

With parental/carer permission, children from Year 4 onwards are allowed to walk home on their own. You need to consider your child's age, maturity and independence, as well as the distance from school and the safety of the route, before making a decision about whether or not it is safe for your child to walk home on his/her own.

I give permission for my child to walk home (or to another specified destination) on their own after school. I have explained to my child the safety aspects of walking home on their own.

You can change these permissions at any time. Please visit the office to make any amendments.
