

## Year 3 Learning Log Tasks Autumn 1

Please choose **one** task to complete each week.

Start a clean page for each new task.

Date the page and give your work a title.

Completed Learning Logs should be handed in on or before a **Wednesday** and will be returned on a **Friday**.

We share and celebrate our work in class each week.

Write a Stone Age recipe. Think about what ingredients were available during the time.	Draw your own Stone Age cave painting design. 	Design and make a model of Stonehenge. 
Draw a picture of what your cave would look like if you lived in the Stone Age.	Write your own top 5 interesting facts about the Stone Age.	Create a Stone Age quiz to test your friends.
List the similarities and differences between the Stone Age and your own life.	Draw and list animals that existed during the Stone Age.	Create a poster about the Stone Age.

Practise your times tables each week using Times Tables Rock Stars. We recommend little and often to help learn and remember those facts!

Practise logging in to School 360 using your log-in details. With practice you will get really quick at logging in!

You can also choose from lots of different activities on Busy Things.
