

# Learning Log Tasks - Autumn Term 2

Please choose one activity to complete each week linked to our current topic of 'What happens when I fall asleep?' Don't forget to take photos of your work and add them to tapestry! Homework should be uploaded before Monday, when we will share your tapestry observations in class. Everyone who has completed their homework activity will receive class points. We can't wait to see how you get on!

## Whizz pop, whizz bang!!

Have you been to a firework display or watched them on TV? Can you tell me all about it? What do you know about Bonfire night? How is it celebrated? What did you do on Bonfire night?

## Night sky

Draw a picture of the night sky... what can you see? What do you notice? How is night time sky different to the day time sky?

## Star light, star bright

There are often lots of stars in the sky at night time. Can you find out about a particular star or constellation?

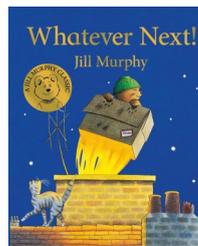

## Bedtime Stories

Tell me about your favourite bedtime story. Why is it your favourite? Can you bring it into school to share?

## Night time stories!

Can you tell me about your favourite story set at night time or in the dark. Think funnybones, gruffalos child, peace at last, whatever next... which is your favourite?

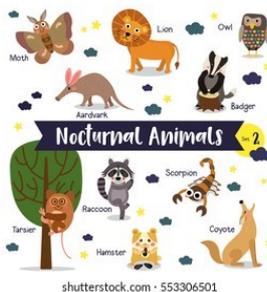

## Daytime / Night time

Start a list of things you do in the day or when you are awake, and things you do at night when you are getting ready for bed. Which things are the same and which are different?

## Nocturnal Animal

Find out one Nocturnal animal. What can you tell me about this animal?

## Hibernation

Find out about which animals hibernate. Why do they hibernate? What does the word hibernation mean? Can you make a nest for an animal to hibernate in?

## I can write my name!

Can you practise writing your name? If you can already write your first name give your surname a go! Can you write it in at least 5 different colours?
